Department of Mines

Directorate of Industries and Mines

Order

No. 96/393-88-Mines/3153

(In the matter of renewal of Mining lease of the applicant M/s. Tisa Moraes Mining Industry by application dated 21-11-1988)

M/s Tisa Moraes Mining Industry of Cuncolim, Salcete Goa were holders of erstwhile mining concession named "Dapotachem Moll" for iron ore granted under Title of concession No. 61 dated 25-12-57 over an area of 99.69 Ha. of land situated in Curdi village of Sanguem taluka. Consequent upon the enactment of the Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987, the above mining concession stood abolished and declared as a mining lease under the Mines and Minerals (Development and Regulation) Act, 1957 and the rules made thereunder.

2. By an application dated 21-11-88, M/s Tisa Moraes Mining Industry (hereinafter referred to as the applicant) applied for renewal of mining lease for a further period. The delay in submission of renewal application was condoned by the State Government. Thereafter by a notice bearing No. 96/393/88-Mines/734 dt. 20-3-9 issued under rule 26(3) of Mineral Concession Rules 1960, the applicants were called upon to submit the following documents:

- Approved mining plan.
- Affidavit of particulars of the area mineralwise in each State.

3. As there was failure on the part of the applicants to submit the approved mining plan, the application for renewal of the above mining lease was rejected by the Government by an order bearing No. 5/53/89-ILD dated 29-3-90. Being aggrieved by the order of rejection, the applicants filed a revision application before the Central Government and by a common order dated 17-6-93, the Central Government set aside the order of rejection with a direction to the State Government to dispose the renewal application on merit and in accordance with law. The applicants by a notice bearing No. 96/393/88-Mines/10891 dated 15-1-99 were called upon to furnish the following documents within sixty days.

1. Valid clearance certificate in terms of Rule 22(3)(d) of Mineral Concession Rules, 1960.
2. Statement of consent towards surface rights in terms of Rule 22(3)(h) of Mineral Concession Rules, 1960.
3. Copy of the lease plan.
4. An affidavit showing particulars of area mineralwise in each State in terms of Rule 22(3)(g) M.C. Rules, 1960.
5. Copy of cadastral survey plan superimposed on lease plan.
6. Article of memorandum.

4. As none of the above documents were submitted, a notice bearing No. 96/393/88-Mines/3001 dated 5-3-01 was issued to the applicants fixing the date for personal hearing as 22-3-01 which notice was duly received by the applicants on 10-3-01. The applicants however failed to attend the hearing. I have therefore no other alternative but to proceed further in the matter.

5. I have gone through the records of the case. It is seen that the application for renewal of mining lease was submitted in the year 1988 nearly about 13 years back without proper documents as required under Rule 22 of Mineral Concession Rules, 1960. The application for renewal of mining lease was rejected earlier by the Government vide order dated 29-3-90 which was set aside by the Central Government in the revision application filed by the applicants. Subsequent to the passing of the order by the revisional authority around 8 years have passed and regrettably, all the documents which are required under Rule 22 of Mineral Concession Rules, 1960 have not been submitted. A statutory notice as required under rule 22(3) of Mineral Concession Rules, 1960 was issued to the applicants on 15-1-99 and despite this notice, the applicants did not bother to take any effective steps to supply the omissions. Besides, it is also seen from the available records that the mining lease is not in operation for the last 24 years.

6. Finally a notice for personal hearing was also given and hearing was fixed on 22-3-01 before undersigned which the applicants did not attend. From all above,

it is quite clear that sufficient opportunities have already been given by the Department to submit all the documents as required under rule 22 of Mineral Concession Rules, 1960, for renewal of mining lease and the applicants have failed to produce the same. Under the circumstances, I have no alternative but to reject the application.

Now, therefore, I, Shri J. B. Singh, Director of Industries and Mines in exercise of powers conferred upon me under sub rule (1) of rule 26, of Mineral Concession Rules, 1960 in pursuance of Notification No. 5/80/89-Mines dt. 22-12-2000 hereby reject the application of M/s. Tisa Moraes Mining Industry for renewal of mining lease.

J. B. Singh, Director of Industries and Mines.
